### **Rating Scale**

Seriousness of reported audit findings varies significantly. In order to provide consistency in reporting audit findings, significance of each finding is prioritized into "High to Low" Which is a relative scale in the context of an area or process under review. Details of each category are explained below:

**High Risk (H)** -Represents critical control weaknesses requiring prompt action to mitigate information systems or business process vulnerabilities. Adequate compensating controls do not exist to mitigate risk exposure, or may not be sufficient given the impact of a risk occurrence should it occur. Regulatory non-compliances involving penalties/prosecutions are also included in this category.

**Medium Risk (M)** - Represents moderate control weaknesses requiring near-term management focus to strengthen existing controls. Some compensating controls are present, but additional controls are necessary to further mitigate risk exposure.

**Low Risk (L)** - Represents minor control weaknesses requiring management focus to enhance existing controls. Compensating controls are present to mitigate exposure (or if not, the impact of a risk occurrence is minor), but opportunities exist to enhance controls or improve operating efficiency.

### **RISK CATEGORY**

**Financial (F)** – Reliability of financial reporting / financial impact.

**Compliance (C)** – Compliance with applicable laws and regulations.

### **ANNEXURE "A" TO THE AUDITOR'S REPORT REFERRED TO IN** **PARAGRAPH 1 UNDER REPORT ON OTHER LEGAL & REGULATORY** **REQUIREMENTS OF OUR REPORT OF EVEN DATE**

#### **Re: BDR BUILDCON LIMITED**

- (i) Since the Company has no fixed assets during the year, this clause is not applicable.
- (ii) The inventory includes construction work in progress on identified land and the same has been physically verified during the year by the management. As informed to us no material discrepancies were noticed on such verification. That during any point of time of the year, the company does not have sanctioned working capital limits, thus the reporting for sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets is not applicable. In our opinion, the periodicity of verification is reasonable having regard to the size of the company.
- (iii) According to the information and explanation given to us the company has not granted any loan to companies, firms, limited liability partnerships or other parties covered in register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits under the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under. Accordingly, the provision of clause 3(v) of the order is not applicable to the company.
- (vi) According to the information and explanation given to us, government has not prescribed maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3 (vi) of the order is not applicable to the Company.

- (vii) (a) The Company has generally been regular in depositing undisputed statutory dues including provident fund, income tax, duty of customs, Goods & Services tax (GST), Cess and any other statutory dues applicable to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were outstanding as at 31<sup>st</sup> March, 2025 for a period of more than 6 months from the date they become payable.
- (b) According to the information and explanations given to us and based on the records of the company examined by us, there are no dues of Income-tax, Duty of Custom and Goods & Services Tax (GST) which have not been deposited on account of any dispute.
- (viii) The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause 3(viii) of the order is not applicable to the Company.
- (ix) According to the information and explanations given to us, the company did not raise any moneys by way of initial public offer or further public offer (including debt instruments) during the year under review. Hence reporting under clause 3(ix) of the Order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the company carried out in accordance with the generally accepted auditing practices in India, and according to the audit procedures performed and information and explanations given by the management, we have neither come across any instance of fraud by the Company nor any fraud on the company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) As the Company has not paid any managerial remuneration during the financial year, this clause is not applicable.
- (xii) The company is not a Nidhi Company and the provisions of clause 3(xii) of the Order are not applicable to the company.
- (xiii) In our opinion, and according to the information and explanations given to us, the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Ind- AS financial statements as required by the applicable Indian accounting standard.

- (xiv) According to the information and explanations given to us and on the basis of review of documents, we are of the opinion that the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.
- (xv) In our opinion, and according to the information and explanations given to us, during the year the company has not entered into any non-cash transactions with directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, and according to the information and explanations given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

### **"Annexure B" to the Auditor's Report**

#### **Referred to the clause (f) under 'Report on other legal and Regulatory requirements of our report of even date**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **BDR BUILDCON LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India" (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind-AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the Standalone Ind-AS Financial Statements, and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to these Standalone Ind-AS Financial Statements, included obtaining an understanding of internal financial controls over financial reporting with reference to these Standalone Ind-AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Standalone Ind-AS Financial Statements.

### **Meaning of Internal Financial Controls Over Financial Reporting with reference to these Standalone Ind-AS Financial Statements**

A company's internal financial control with reference to these Standalone Ind-AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Standalone Ind-AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Standalone Ind-AS Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind-AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind-AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind-AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Standalone Ind-AS Financial Statements and such internal financial controls over financial reporting with reference to these Standalone Ind-AS Financial Statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **BDR BUILDCON LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

#### **1. Corporate Information**

BDR Buildcon Limited (the 'Company') is a public company (CIN- L70100DL2010PLC200749) domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Registered office of the company is 21, Ring Road Third Floor, Lajpat Nagar - IV, New Delhi - 110024. The Company is engaged in the business of constructing, developing, promoting, managing, operating and dealing in Real Estate Projects. The Company caters to domestic markets only.

#### **2. Summary of Significant Accounting Policies**

##### **2.1 Basis of preparation**

###### **Statement of Compliance:**

The Company prepared its Standalone financial statements to comply with the accounting standards specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and guidelines issued by Securities and Exchange Board of India ("SEBI"). These Standalone financial statements includes Balance Sheet as at 31 March 2025, the Statement of Profit and Loss including Other Comprehensive Income, Cash flows Statement and Statement of changes in equity for the year ended 31 March 2025, and a summary of significant accounting policies and other explanatory information (together hereinafter referred to as "financial statements").

###### **Basis of Measurement:**

The Standalone Financial Information for the year ended 31 March 2025 and year ended 31 March 2024 has been prepared on an accrual basis and a historical cost convention, except for the following financial assets and liabilities which have been measured at fair value or amortised cost at the end of each reporting period:-

- Derivative financial instruments
- Certain financial assets and liabilities (refer accounting policy regarding financial instruments)

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The financial statements are presented in Indian Rupees ("INR") except otherwise indicated.

##### **2.2 Summary of significant accounting policies**

###### **a. Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. . It has been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

## **b. Revenue Recognition**

IND AS 115 was made effective from 1 April 2018 and establishes a five-step model to account for revenue arising from contracts with customers. The new revenue standard replaced IND AS 18 & IND AS 11 and interpretations on revenue recognition related to sale of goods and services. The Company has applied the modified retrospective approach and accordingly has included the impact of Ind AS 115.

### **i. Revenue from Sale of goods**

Recognition of revenue arising from the real estate sales is made when (a) the seller has transferred to the buyer all significant risks and rewards of ownership and the seller retains no effective control of the real estate to a degree usually associated with ownership; and (b) no significant uncertainty exists regarding the amount of consideration that will be derived from the real estate sales; and (c) it is not unreasonable to expect ultimate.

### **ii. Other Income**

Other income is comprised primarily of interest income, dividend and gain/loss on translation of other assets and liabilities. Interest income for all financial assets measured either at amortized cost or FVTPL is recognized using the effective interest method.

## **c. Income taxes**

Tax expenses comprise current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity. Deferred tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred income taxes reflect the impact of temporary differences between taxable income and accounting income originating during the current year and reversal of temporary differences for the earlier years. Deferred income tax is measured using the tax rates and the tax laws enacted or substantially enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for deductible temporary differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognises unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

#### **d. Earnings Per share**

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as fresh issue, bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

#### **e. Cash and cash equivalents**

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, cheques in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of cash flow statement consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### **f. Segment reporting**

The company is mainly engaged in Real Estate developments and as such this is the only Reportable Segment as per Indian Accounting Standard on Segment Reporting (IND AS 108) issued.

#### **g. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### ***Initial recognition and measurement***

Financial assets and liabilities are recognized when the company becomes a party to the contract embodying the related financial instruments. All financial assets, financial liability and financial guarantee contracts are initially measured at transaction cost and where such values are different from the fair value, at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial asset and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset and financial liability. Transaction cost directly attributable to the acquisition of financial asset and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

#### **Non- derivative financial assets**

##### ***Subsequent measurement***

For purposes of subsequent measurement, financial assets are classified in two broad categories:

- Financials assets at amortised cost
- Financials assets at fair value

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of Statement of Profit & Loss (i.e., fair value through Statement of Profit & Loss), or recognised in other comprehensive income (i.e., fair value through other comprehensive income).

##### **a. Financials assets carried at amortised cost**

A financials asset that meets the following two conditions is measured at amortised cost (net of impairment) unless the asset is designated at fair value through Statement of Profit & Loss under the fair value option.

- Business Model test: The objective of the Company's business model is to hold the financial assets to collect the contractual cash flow (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).
- Cash flow characteristics test: The contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

##### **b. Financials assets at fair value through other comprehensive income**

Financials assets is subsequently measured at fair value through other comprehensive income if it is held with in a business model whose objective is achieved by both collections contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dated to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the

**c. Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit & Loss.

*De-recognition of financial assets*

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

**Non - derivative financial liabilities**

*Subsequent measurement*

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortized cost using the effective interest method.

*De-recognition of financial liabilities*

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**g. Use of estimates and judgments**

In the course of applying the policies outlined in all notes, the Company is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. The Company uses the following critical accounting estimates in preparation of its financial statements:

#### **i. Provisions**

Provisions are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

#### **ii. Contingencies**

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized. Contingent assets are neither recognised nor disclosed in the financial statements.

#### **iii. Provision for income tax and deferred tax assets**

The Company uses estimates and judgments based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. Accordingly, the Company exercises its judgment to reassess the carrying amount of deferred tax assets at the end of each reporting period.

#### **iv. Impairment of non-financial assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If an indication exists, or when the annual impairment testing of the asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or Cash-generating-unit's (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from the other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and it's written down to its recoverable amount.

#### **v. Employees Benefits**

The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

#### **h. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

i. Figures relating to previous year have been regrouped wherever necessary to make them comparable with the current year figures.
